

2013 ESRI UC TECHNICAL WORKSHOP RECORDING LIST

3D GIS	Analysis (cont.)	Cartography and Map Production
<p>904 ArcGIS for 3D Cities: An Introduction Craig McCabe, Sean William Morrish, Thorsten Reitz</p> <p>906 3D Analyst: Working with 3D Analyst and CityEngine Nathan Shephard, Gert Van Maren</p> <p>912 3D Analyst – Introduction to Working with Lidar Clayton Crawford</p> <p>914 3D Analyst – Surface Analysis Khalid Duri</p> <p>915 3D Analyst: Lidar – Working with LAS Datasets Raghav Vemula</p> <p>916 3D Analyst: Lidar – Working with Terrain Datasets Clayton Crawford</p> <p>917 CityEngine: An Introduction Pascal Mueller, Simon Schubiger</p> <p>919 3D Analyst – Publishing Globe Services Wei-Ming Lin</p> <p>920 3D Analyst – 3D Cartography for 3D Maps Nathan Shephard</p>	<p>307 Geoprocessing: Efficient Data Management & Analysis with Geoprocessing Ken Hartling, Jason Pardy</p> <p>308 Python: Tips on Improving Python Script Performance Jason Pardy, Ghislain Prince, David Wynne</p> <p>310 Geoprocessing: Recommended Approaches to Building GP Tools Bill Moreland, Jason Pardy</p> <p>345 Python: Useful Python Libraries for the GIS Professional Jason Pardy</p> <p>362 Spatial Analyst - An Introduction Steve Kopp, Elizabeth Graham</p> <p>363 Spatial Analyst: Creating Surfaces Steve Lynch, Steve Kopp</p> <p>364 Spatial Analyst - Suitability Modeling Kevin Johnston, Elizabeth Graham</p> <p>365 Python - Raster Analysis Nawajish Noman, Ryan De Bruyn, Kevin Johnston</p> <p>366 Geostatistical Analyst - An Introduction Steve Lynch, Eric Krause</p> <p>367 Geostatistical Analyst: Concepts and Applications of Kriging Konstantin Krivoruchko, Eric Krause</p> <p>368 NetCDF and HDF Data in ArcGIS Nawajish Noman, Kevin Butler</p> <p>369 Hydrologic and Hydraulic Modeling with ArcGIS Dean Djokic</p> <p>370 Creating Watersheds, Stream Networks, and Hydrologically Conditioned DEMs Steve Kopp, Dean Djokic</p> <p>373 Spatial Analyst: Performing Regression Analysis Using Raster Data Xuguang Wang, Kevin Johnston</p> <p>377 Network Analyst: Performing Network Analysis Jay Sandhu, Melinda Morang</p> <p>385 Network Analyst - An Introduction Robert Garrity, Patrick Stevens</p> <p>432 Network Analyst—Network Analysis with ArcGIS Online and On-premise Services Deelesh Mandloi, Dmitry Kudinov</p> <p>433 Network Analyst—Automating Workflows with Geoprocessing Deelesh Mandloi, Patrick Stevens</p> <p>434 Network Analyst—Creating Network Datasets Alan Hatakeyama, Colin Childs</p> <p>435 Network Analyst: Designing your Network Analyst Workflow Robert Garrity, Patrick Stevens</p> <p>444 Geocoding - An Introduction Agatha Wong, Miriam Schmidts</p> <p>445 Geocoding: What's New in Geocoding Jeff Rogers</p>	<p>431 Esri Production Mapping - Advanced Cartography Madhura Phaterpekar, Clint Loveman</p> <p>463 Generating Topographic Map Products on Demand Clint Loveman</p> <p>464 ArcGIS for Aviation: Airports - An Introduction Shane Barret</p> <p>903 Esri Production Mapping - An Introduction Amber Bethell, Sean Granata</p>
Community Maps Program		
<p>557 Getting to Know Esri Community Maps Deane Kensok</p> <p>560 Ocean Basemap - An Introduction Lee Brinton, Andrew Leason</p>		
Defense and Intelligence		
<p>645 ArcGIS for the Military - Land Operations Simon Warwick, Gary Sheppard Jr., Scott Cecilio</p> <p>646 ArcGIS for the Military - Maritime Operations Lyle Wright, Curt Hammill Jr., John Fry</p> <p>647 ArcGIS for the National Guard Andrew Smialek, Brett Rose, Bill Raymond</p> <p>648 Intelligence Analysis with ArcGIS Natalie Feuerstein, Suzanne Foss, Mary Clawson</p> <p>649 ArcGIS for the Military: Managing Operational Factors Matt Funk, Carolyn Fish, Natalie Campos</p> <p>651 ArcGIS for the Military: Analyzing the Operational Environment Matt Funk, Carolyn Fish</p> <p>652 Military Planning and Operations Derek Foll, Andy Bouffard</p> <p>653 Using Imagery for Intelligence Analysis James Michel III, Renee Bernstein, Natalie Campos</p> <p>654 ArcGIS for Intelligence James Michel III, Suzanne Foss, Marcella Cavallaro</p>		
Developer		
<p>956 ArcGIS for Developers—An Introduction Jim Barry, Andy Gup</p> <p>957 Creating .NET Add-ins for ArcGIS for Desktop John Hauck, Chris Fox</p> <p>959 Developing .NET Applications for ArcGIS Engine John Hauck, Deepananthan Dhanasekaran</p> <p>961 ArcGIS Explorer Desktop SDK Mark Bockenbauer, Jim Barry</p> <p>965 Social Coding with GitHub Allan Laframboise, Andrew Turner</p>		
Analysis		
<p>221 Integrating Open-Source Statistical Packages with ArcGIS Mark Janikas</p> <p>251 ModelBuilder - Getting Started Matt Kennedy</p> <p>260 ModelBuilder: Advanced Techniques – Branching and Iterating Shitij Mehta, Scott Murray</p> <p>261 Python - Getting Started Ghislain Prince, Drew Flater</p> <p>262 Python – Beyond the Basics Ken Smith, David Wynne</p> <p>276 Geoprocessing with ArcGIS for Server Kevin Hibma, Monica Joseph, Scott Murray</p> <p>277 Spatial Statistics: Using Pattern Analysis to Identify Trends and Clusters Brett Rose, Lauren Rosenshein Bennett</p> <p>278 Spatial Statistics: Modeling Spatial Relationships Using Regression Analysis Lauren Rosenshein Bennett, Flora Vale</p> <p>279 Spatial Statistics: Best Practices Brett Rose, Lauren Rosenshein Bennett</p> <p>290 Applying ArcGIS Spatial Analysis Techniques to Make Better Decisions Jian Lange, Linda Beale</p> <p>291 Python: Building Geoprocessing Tools with Python Dale Honeycutt</p> <p>292 Interpreting your Data with Statistics Linda Beale</p> <p>303 Geoprocessing: Performing Spatial Analysis in ArcGIS Online Ashley Pengelly, Linda Beale</p> <p>304 Geoprocessing: Sharing Workflows with Geoprocessing Packages Bill Moreland, Ashley Pengelly</p>	Business Intelligence	
<p>895 Esri Business Analyst: Overview & Update Lucy Guerra, James Killick</p>		

Disaster and Emergency Management	Geographic Data (cont.)	GIS Concepts and Fundamentals (cont.)
518 ArcGIS for Emergency Management: An Overview Jeff Baranyi, Lindsay Thomas	597 Managing your Distributed Geodatabase Gary MacDougall, Heather McCracken, Premjit Singh	655 What is Location Analytics? Canserina Kurnia, Eric Bowman
Education and Training	598 Geometric Networks: An Introduction Erik Hoel, Craig Gillgrass	657 ArcGIS as a Platform – Putting it all Together Canserina Kurnia, Thomas Shippee
602 Technical Certification Program Overview Patty McGray, Jessi Mielke	599 Topology in the Geodatabase: An Introduction Erik Hoel, Colin Zwicker	658 Understanding GIS Imagery Michael Rhoades
757 Creating a Staff Development Plan with Esri Michael Green, David Schneider	600 Big Data: Using ArcGIS with Apache Hadoop Erik Hoel, David Kaiser	659 What is a GIS Service? Paul Trevillion
Electric Utilities	601 Automating Geodatabase Creation with Geoprocessing Tools Russell Brennan, Ian Wittenmyer	6570 What Every Manager Needs to Know About Cloud GIS Thomas Shippee
1227 Managing and Analyzing Lidar for Use in Electric Transmission Corridor Management Joseph Holubar	632 Troubleshooting Performance Issues with Enterprise Geodatabases Jim McAbee III	6571 Using GIS Technology on Smartphones James Gough
1228 Using ArcGIS Online to Manage your Utility Business Joseph Holubar	700 CAD: Lining Up CAD Data in ArcGIS Margaret Maher	6572 What is Spatial Analysis and Geoprocessing? Rudy Prosser
Facilities	701 CAD: Georeferencing CAD Datasets Phil Sanchez	6574 Learning Common GIS Workflows Rudy Prosser, Eric Bowman
269 Facilities & Real Property Management Eric Wittner, Craig Cleveland	702 CAD: Using Geoprocessing Tools and Other Techniques to Better Use CAD in ArcGIS Jeff Reinhart	6576 Types of Geodatabases: Which One is Right for Me? James Gough
Fire, Rescue, and EMS	703 CAD: Introduction to using CAD Data in ArcGIS Phil Sanchez, Jeff Reinhart	6577 What You Should Know Before Mapping Social Media Content Jeff Archer, Andrew Turner
520 ArcGIS for Fire Service: An Overview Walter Potts, Jeff Baranyi, Jennifer Hughey	704 Introduction - The ArcGIS for AutoCAD CAD Plug In Don Kuehne, Karen Hodge	603 What is GIS and How Can it Help Me? Chris Thomas, Rich Leadbeater
GeoDesign	709 Editing in ArcMap: An Introduction Phil Sanchez, Lisa Stanners	604 Making Sense of the Noise: Analyzing Crowdsourced Content Sean Gorman, Andrew Turner
1013 Introduction to Geodesign with ArcGIS Eric Wittner	710 Editing Tips and Tricks Jennifer Cadkin, Rhonda Glennon	Imagery
Geographic Data	711 Data Alignment and Management in ArcMap Sean Jones, Larry Young	331 Introduction to Imagery and Raster Data in ArcGIS Simon Woo, Cody Benkelman
439 ArcGIS Workflow Manager: An Introduction Tope Bello, Michael Broadbent	712 ArcGIS Deed Drafter: An Introduction Amir Bar Maor	332 Managing Imagery and Raster Data Using Mosaic Datasets Hong Xu, Prashant Mangtani
442 ArcGIS Data Reviewer: An Introduction Michelle Johnson, Jay Cary	715 Editing and Maintaining Parcels with ArcGIS Tim Hodson, Jason Camerano	333 What's New with Imagery in ArcGIS Vinay Viswambaran, Mike Muller
448 Esri Roads and Highways: Migrating your LRS Silvia Casas	716 Migrating Data into the Parcel Fabric Solution Amir Bar Maor, Jason Camerano, Tim Hodson	334 Caching Imagery using ArcGIS Hong Xu, Hua Wei
521 Geodatabase Administration: An Introduction Brent Pierce, Russell Brennan	717 Data Interoperability: An Introduction Bruce Harold	388 Imagery for State and Local Government Kurt Schwoppe
522 Coordinate Systems and Datum Transformations in Action Melita Kennedy, Ken Smith	718 Editing Versioned Geodatabases: An Introduction Shawn Thorne, Cheryl Cleghorn	486 Working with Elevation Data Cody Benkelman
523 Administering your Microsoft SQL Server Geodatabase Shannon Shields	1499 Big Data Spatial Analytics – An Introduction Marwa Mabrouk, Mansour Raad	Implementing Enterprise GIS
524 Administering your Oracle Geodatabase Jim McAbee III, Travis Val	GIS Concepts and Fundamentals	921 Planning Enterprise Geodatabase Solutions John Alsup Jr, Jeff DeWeese
525 Administering your PostgreSQL Geodatabase Jim McAbee III, James Gough	562 What Is Geographic Data and Where Can I Find It? Paul Trevillion, Miriam Schmidts	923 Deploying ArcGIS for Server Using Managed Services Andrew Sakowicz, Erin Ross
528 Geodatabase: An Introduction Jonathan Murphy, David Crawford	563 What is Spatial Reference? Rudy Prosser	924 ArcGIS Online and Cloud Computing Security Best Practices Michael Young
595 Migrating Data to the Geodatabase Lance Shipman	564 Thinking Spatially with GIS Joseph Kerski, Laura Bowden	
596 Accessing Spatial Databases in ArcGIS Annie Sasidar		

Implementing Enterprise GIS (cont.)	Location Analytics (cont.)	Mapping (cont.)
<p>925 ArcGIS Enterprise Systems: Performance and Scalability Andrew Sakowicz, Frank Pizzi</p> <p>926 Enterprise GIS Architecture Deployment Options Andrew Sakowicz</p> <p>929 Designing an Enterprise GIS Security Strategy Michael Young</p> <p>930 Capacity Planning using CPT and System Designer Dave Peters, Tom Pattison</p> <p>933 Deploying ArcGIS in the Cloud: A Business Perspective Marwa Mabrouk, Andrew Hendrickson</p> <p>934 Creating an Effective GIS Technology Strategy Andrew Sakowicz, Andrew Hendrickson</p> <p>935 What You Need to Know about Managing an Enterprise GIS Project Glenn Berger, Gerry Clancy</p> <p>937 How to Successfully Collect, Analyze, and Implement User Requirements Glenn Berger, Gerry Clancy</p> <p>940 Planning the Work – How to Create a Manageable Enterprise GIS Project Plan. Mirjam Stadelmann</p> <p>944 Agile or Waterfall? How to Choose the Right Implementation Lifecycle for your GIS Project Mirjam Stadelmann</p> <p>945 Implementation Roadmap for Small GIS Projects Mirjam Stadelmann</p>	<p>958 Make Better Policy Decisions Using Esri Community Analyst Brenda Wolfe</p> <p>960 Esri Location Analytics: Road Ahead Art Haddad, James Killick</p> <p>962 Esri Maps for Office Tips & Tricks Tony Howser</p>	<p>675 Building 2D Animations Ken Smith</p> <p>676 Efficient and Effective Labeling with ArcGIS Wendy Harrison</p> <p>677 Converting Labels to Annotation: Getting Started Wendy Harrison</p> <p>678 Managing and Editing Annotation Wendy Harrison</p> <p>679 Mapping Temporal Data Aileen Buckley, Chris Fox</p> <p>680 ArcReader - An Introduction Paul Trevillion</p> <p>681 Tips and Tricks for Publishing Hosted Services to your ArcGIS Organization Ty Fitzpatrick</p> <p>682 Mapping Population Data Kenneth Field</p> <p>683 Troubleshooting Printing and Exporting from ArcMap Michael Grossman, Jeremy Wright</p> <p>684 Mapping Flow Data Aileen Buckley</p>
	Mapping	
	<p>461 ArcGIS Tracking Analyst - An Introduction Hanoch Kalmanovich</p> <p>462 Esri & OpenStreetMap: Tools, Apps, Maps! Christine White</p> <p>655 ArcMap - Tips and Tricks Jorge Ruiz-Valdepena, Jack Horton</p> <p>656 Best Practices for Designing Effective Map Services Ty Fitzpatrick, Tanu Hoque</p> <p>657 Python Map Automation - Beyond the Basics of arcpy.mapping Jeff Barrette, Jeff Moulds</p> <p>658 Getting the Most from the Maplex Label Engine Wendy Harrison, Craig Williams</p> <p>659 ArcGIS Explorer Desktop: Getting Started Mark Bockenbauer, Bernie Szukalski</p> <p>660 Making Beautiful Maps Aileen Buckley, Kenneth Field</p> <p>661 Creating Successful Map Services for ArcGIS Online Charlie Frye, Jim Herries</p> <p>662 Python Map Automation - Introduction to arcpy.mapping Jeff Barrette, Michael Grossman</p> <p>663 Mapmaking Beyond the Basics Wesley Jones, Kenneth Field</p> <p>664 Designing Maps for the ArcGIS Platform Charlie Frye, Richard Nauman</p> <p>665 Building Map Books Jeff Barrette, Tom Bole</p> <p>666 Working with Cartographic Representations Edie Punt, Jamie Conley</p> <p>667 Working with Temporal Data Aileen Buckley, Chris Fox</p> <p>668 Best Practices for Map Design Damien Demaj, Kenneth Field</p> <p>670 Supporting High-Quality Printing in Web Applications with ArcGIS for Server Craig Williams, Tanu Hoque</p> <p>671 Generalization for Multi-scale Mapping Edie Punt, Jamie Conley</p> <p>672 Having Fun with Tables and Reports Colin Childs</p> <p>673 Story Maps: Using ArcGIS as a Communications Medium Bernie Szukalski, Allen Carroll</p> <p>674 Packaging Maps and Layers Ty Fitzpatrick</p>	Mobile GIS
Interoperability & Standards		<p>633 ArcGIS for Windows Mobile - An Introduction Justin Colville</p> <p>635 ArcPad - An Introduction Chris Lesueur, Marika Vertzonis, Hannah Ferrier</p> <p>637 ArcGIS for Mobile Overview Jeff Shaner, Chris Lesueur</p> <p>639 Using ArcGIS on Smartphones and Tablets Russell Roberts, Paul Barker</p> <p>641 iOS - Developing Applications Divesh Goyal, Mark Dostal</p> <p>696 Android - Developing Applications Dan O'Neill, Will Crick</p> <p>698 Windows Phone - Developing Applications Rex Hansen, Richard Zwaap</p> <p>778 Collector for ArcGIS: An Introduction Russell Roberts, Paul Barker</p> <p>779 Operations Dashboard for ArcGIS: An Introduction Doug Morgenthaler, David Cardella, Jeff Shaner</p> <p>780 Operations Dashboard for ArcGIS: Extending Jylie Donia, Tif Pun</p> <p>782 Windows Store - Developing Applications Rex Hansen, Morten Nielsen, Daudi Husbands</p> <p>783 OS X - Developing Applications Eric Ito, Divesh Goyal, Mark Dostal</p> <p>784 WPF - Developing Applications Apurva Goyal, Rex Hansen</p> <p>785 JavaSE - Developing Applications Vijay Gandhi</p> <p>786 Qt - Developing Applications Jen Trieu, Michael Tims, Thomas Dunn</p>
Law Enforcement and Criminal Justice		
<p>519 ArcGIS for Law Enforcement: An Overview Robert Feuerstein, Scott Oppmann</p>	Location Analytics	
<p>951 Esri Maps for SharePoint Santha Sivabalan, Tony Howser</p> <p>952 Esri Maps for Microsoft Office Art Haddad, Santha Sivabalan, Tony Howser</p> <p>953 Esri Maps for Business Intelligence (BI) Art Haddad, Brenda Wolfe, Pierre Seguin</p> <p>955 Esri Maps for Customer Relationship Management (CRM) Santha Sivabalan, Lucy Guerra</p>		

Ocean, Coastal, and Marine Resources	State and Local Government (cont.)	Web and Server (cont.)
1005 ArcGIS for Maritime: Creating, Managing and Sharing Maritime Data Lee Brinton, Rafael Ponce Urbina	403 Configuring ArcGIS Online in your Local Government Lindsay Thomas, Scott Oppmann	866 ArcGIS GeoEvent Processor for Server – Monitoring Routes Adam Mollenkopf
Online Services		
724 ArcGIS Online Content Sarah Osborne, Deane Kensok, Christophe Charpentier	404 ArcGIS for Local Government’s Address Maps and Apps: An Overview Scott Oppmann, Allison Muise	872 ArcGIS GeoEvent Processor for Server – An Introduction Adam Mollenkopf
725 ArcGIS Online Steps for Success Bernie Szukalski, Jeff Archer	405 ArcGIS for Local Government’s Executive Dashboard: An Overview Scott Oppmann, Allison Muise	874 Esri Geoportal Server - An Introduction Marten Hogeweg
726 ArcGIS for Organizations: An Introduction Paul Ross, Andrew Hendrickson	406 ArcGIS for Land Records: An Overview Scott Oppmann, Amir Bar Maor	975 Building Killer Apps Mansour Raad, Sajit Thomas
727 Building Custom Applications with ArcGIS Online for Application Developers Kelly Hutchins, Jeremy Bartley	507 Configuring ArcGIS for Local Government’s Web Applications: Tips and Tricks Lindsay Thomas	977 ArcGIS API for Flex—An Introduction Lloyd Heberlie, Heather Gonzago
728 Building and Maintaining ArcGIS Online Hosted Tiled Services Tom Brenneman, Sterling Quinn	1020 ArcGIS for Water Utilities: An Overview Michael Miller, Howard Crothers	978 ArcGIS API for JavaScript—Advanced Topics Kelly Hutchins, Derek Swingley, Jeremy Bartley
729 Security and ArcGIS Online Andrea Rosso, Michael Young	1021 Setting up ArcGIS Online for a Water Utility Michael Miller	979 ArcGIS API for JavaScript—An Introduction Kelly Hutchins, Derek Swingley
730 Online Content and Licensing Sarah Osborne, Rich Turner, Christophe Charpentier	Technology Keynote	980 ArcGIS API for Flex—Advanced Topics Mansour Raad, Lloyd Heberlie
731 Online Content Road Ahead Christophe Charpentier	1230 The Power of Maps Clint Brown, Allen Carroll, Ben Conklin, Scott Oppmann, Craig McCabe, Lauren Rosenshein Bennett, Andy MacDonald	981 ArcGIS Viewer for Flex—An Introduction Bjorn Svensson, Heather Gonzago
936 Portal for ArcGIS: An Introduction Ravi Narayanan, Satish Sankaran	1372 Solutions: Expanding the Use of GIS Damian Spangrud, Nikki Golding, Scott Oppmann, Michael Miller, Ben Conklin	982 ArcGIS Viewer for Flex – Advanced Topics Lloyd Heberlie, Bjorn Svensson
1147 Esri Global Demographic, Business and Lifestyle Data Catherine Spisszak	1373 ArcGIS Vision and Direction Scott Morehouse, Amber Case, Sud Menon, Euan Cameron, Art Haddad, Deane Kensok, Jim McKinney	988 ArcGIS Server Performance and Scalability—Optimizing GIS Services Gary MacDougall, David Cordes, Tommy Fauvell
1148 Using the ArcGIS Landscape Analysis Services Peter Aniello	Transportation	989 ArcGIS Server—An Introduction Derek Law, Andrew Stauffer
1149 Road Ahead - ArcGIS Online Johan Herrlin, Sud Menon, Ismael Chivite, Paul Ross	387 Esri Roads and Highways - An Introduction William Isley, Majunu Seran	1028 ArcGIS Server for Administrators Sterling Quinn, Shreyas Shinde
Spatial Data Infrastructure	1202 Indoor Location, Tracking, and Routing Wolfgang Hall	1034 Building Secure Applications Dasa Paddock, David Cordes, Thomas Shippee
835 Working with Metadata in ArcGIS Aleta Vienneau	Web and Server	1035 Securing ArcGIS Server Services - Introduction Derek Law, David Cordes
State and Local Government	196 Web Enabling Databases with ArcGIS for Server Gary MacDougall, Ismael Chivite	1036 Securing ArcGIS Server Services - Advanced Robert Kircher III, David Cordes
400 ArcGIS for Local Government: An Overview Christian Carlson, Scott Oppmann	197 Portal for ArcGIS -- An Introduction Derek Law, Satish Sankaran	1037 Publishing GIS Services to ArcGIS for Server Atma Mani, Tushar Jadhav, Joanne Parkinson
401 ArcGIS for State Government: An Overview Christian Carlson, Nikki Golding	826 What’s New in the ArcGIS API for Silverlight Rex Hansen	1038 What’s New in ArcGIS 10.2 for Server Ismael Chivite
402 Migrating your Data to the ArcGIS for Local Government Information Model Scott Oppmann	827 Building Applications with the ArcGIS Viewer for Silverlight Richard Zwaap	1060 Strategies for Building Mobile Apps Using ArcGIS Web APIs Kelly Hutchins, Julie Powell, Chris Mahlke
403 ArcGIS for Local Government: An Overview Christian Carlson, Scott Oppmann	830 Using ArcGIS Server in the Amazon Cloud Owen Evans, David McGuire	1066 Building Real Time Web Applications Using GeoEvent Processor Julie Powell, Adam Mollenkopf
404 ArcGIS for State Government: An Overview Christian Carlson, Nikki Golding	863 Designing and Using Cached Map Services Eric Rodenberg, Thomas Shippee	1066 Building Real Time Web Applications Using GeoEvent Processor Julie Powell, Adam Mollenkopf
405 ArcGIS for Local Government’s Executive Dashboard: An Overview Scott Oppmann, Allison Muise	865 ArcGIS GeoEvent Processor for Server – Monitoring Assets Adam Mollenkopf	1066 Building Real Time Web Applications Using GeoEvent Processor Julie Powell, Adam Mollenkopf
